4. APPOINTMENT AND ROLE

4.1 The Company engages the Core Team Member, and the Core Team Member accepts engagement, in the capacity of **[INSERT SPECIFIC ROLE/TITLE]** reporting to **[INSERT REPORTING STRUCTURE]**.

4.2 The engagement is on the terms of this Agreement and is not intended to create an employment relationship unless and until the Parties expressly agree otherwise in writing and the applicable legal requirements are met.

4.3 Roles and responsibilities may evolve with the Company's growth. The Parties shall review alignment at least quarterly.

5. DUTIES AND RESPONSIBILITIES

5.1 The Core Team Member shall perform the duties set out in Schedule 2 and such other reasonable duties as may be assigned from time to time consistent with the Core Team Member's role and capacity.

5.2 The Core Team Member shall:

- (a) act in good faith and in the best interests of the Company;
- (b) exercise reasonable skill, care, and diligence;
- (c) comply with all lawful and reasonable directions of the Company; and
- (d) comply with applicable laws and the Company's policies as notified from time to time.

5.3 The Core Team Member's primary obligation in relation to Company matters is to promote the legitimate success of the Company, subject always to applicable law and the terms of this Agreement.

6. TIME COMMITMENT AND PERFORMANCE EXPECTATIONS

6.1 The Core Team Member shall devote a minimum of twelve (12) hours per week of active, productive contribution to the Company.

6.2 The twelve-hour minimum is a floor, not a ceiling. The Core Team Member agrees to be reasonably available for additional contribution during periods of heightened Company need, provided such requests are reasonable having regard to the Core Team Member's other commitments and capacity.

6.3 Work may be performed outside conventional business hours. The Core Team Member shall maintain basic records of hours contributed for transparency and vesting purposes.

6.4 Time commitments and performance shall be reviewed at least annually.

6.5 Key Performance Indicators (KPIs) for the role are set out in Schedule 4 and may be updated by mutual written agreement or through the Company's ordinary performance-review process.

7. EQUITY GRANT

7.1 Subject to the terms of this Agreement, the Company's constitutional documents, applicable law, and all required corporate approvals, the Company grants the Core Team Member an equity interest equal to **one per cent (1%)** of the Company's issued and/or fully diluted ordinary share capital (as applicable and as further detailed in Schedule 1) (the "**Equity Grant**").

7.2 The Equity Grant is non-transferable except with the prior written consent of the Company or as expressly provided in this Agreement or applicable law.

7.3 The Core Team Member acknowledges that future funding rounds and other corporate actions may dilute the percentage represented by the Equity Grant. Dilution is a normal feature of growth-stage companies.

7.4 Implementation of the Equity Grant is subject to:

- (a) all necessary board and (if required) shareholder approvals under the Companies and Allied Matters Act 2020 (as amended) and the Company's Articles of Association;
- (b) execution of any required share subscription, option, or equity incentive documentation; and
- (c) compliance with any applicable filings or registrations.

7.5 Further details of the Equity Grant appear in Schedule 1.

8. VESTING

8.1 The Equity Grant shall vest over a period of thirty-six (36) months commencing on the Effective Date (the “**Vesting Period**”), subject to Continuous Service.

8.2 **Cliff:** No portion of the Equity Grant shall vest during the first six (6) months. Upon completion of six (6) months of Continuous Service, twenty-five per cent (25%) of the Equity Grant (equivalent to 0.25%) shall vest.

8.3 **Post-Cliff Vesting:** The remaining seventy-five per cent (75%) of the Equity Grant (equivalent to 0.75%) shall vest in equal monthly instalments of 0.025% on each monthly anniversary of the Effective Date over the subsequent thirty (30) months.

8.4 Vesting shall occur only while the Core Team Member remains in Continuous Service. Upon termination of engagement for any reason, vesting shall cease immediately and any unvested portion shall be forfeited, subject only to the Good Leaver / Bad Leaver provisions in Clause 15.

8.5 **Change of Control:** Upon a Change of Control, all unvested Equity shall accelerate and vest in full, subject to the terms of any applicable acquisition or investment agreement and applicable law.

8.6 The Parties confirm that the vesting schedule is mathematically intended to result in 100% of the 1% Equity Grant being vested at the end of month 36, subject to Continuous Service.

9. COMPENSATION AND BENEFITS

9.1 Until the Company has received Qualifying Funding of at least █10,000,000, the Core Team Member shall receive no cash salary or fixed cash compensation. The Equity Grant constitutes the primary form of compensation during this period.

9.2 Upon the Company receiving Qualifying Funding of █10,000,000 or more, the Core Team Member becomes eligible for monthly cash compensation of up to █250,000, subject to:

- (a) written approval by the Company’s designated decision-makers (currently the Founder / Co-Founders);
- (b) applicable taxes and statutory deductions; and
- (c) the Company’s cash position and board (or equivalent) determination.

9.3 Upon Qualifying Funding of █20,000,000, a compensation review may be conducted. The █250,000 monthly cap shall remain unless the Company’s designated decision-makers approve a higher amount.

9.4 Upon Qualifying Funding of █50,000,000, a full compensation review shall be conducted having regard to market rates, Company performance, and individual contribution.

9.5 Benefits (including health insurance, retreats, or other benefits) may be offered at the Company’s sole discretion once relevant funding milestones are reached.

9.6 Nothing in this Clause creates an entitlement to cash compensation until the stated conditions are met and approval is given.

10. EXPENSES

10.1 The Company shall reimburse the Core Team Member for pre-approved, reasonable, and properly documented expenses incurred solely in the performance of duties under this Agreement.

10.2 Expenses exceeding █10,000 require prior written approval. Expenses exceeding █50,000 require unanimous approval of the Founder / Co-Founders (or such other authority as the Company may designate).

10.3 All claims must be supported by original receipts or equivalent documentation and submitted in accordance with Company policy.

11. INTELLECTUAL PROPERTY

11.1 The Core Team Member hereby irrevocably assigns to the Company all right, title, and interest in and to all Work Product created during the engagement.

11.2 Work Product is and shall remain the exclusive property of the Company. The Core Team Member retains no ownership rights in Work Product.

11.3 The assignment in this Clause is limited to Work Product created:

- (a) in the course of the engagement;
- (b) for the Company;

- (c) using Company resources or Confidential Information; or
- (d) that relates directly to the Company's actual or demonstrably anticipated business.

11.4 Prior Inventions listed in Schedule 3 remain the property of the Core Team Member. The Core Team Member grants the Company a non-exclusive, royalty-free, irrevocable, worldwide licence to use any Prior Invention that is incorporated into Work Product or necessary for the Company's use of Work Product.

11.5 The Core Team Member shall execute all documents and take all steps reasonably required by the Company (at the Company's expense) to perfect, register, or defend Company IP.

11.6 If the Core Team Member is unable or unwilling to execute necessary documents, the Core Team Member hereby irrevocably appoints the Company as attorney-in-fact to execute such documents on the Core Team Member's behalf solely for the purpose of perfecting Company ownership of Work Product.

11.7 The Core Team Member shall maintain reasonable records of Work Product and shall not incorporate third-party or open-source materials into Work Product except in accordance with Company policy and applicable licence terms.

12. CONFIDENTIALITY

12.1 **Confidential Information** means all non-public information relating to the Company, its business, strategy, finances, product designs, technology, customers, partnerships, fundraising, employees, contractors, or operations, whether disclosed orally, in writing, or by any other means, and whether or not marked confidential.

12.2 The Core Team Member shall:

- (a) keep all Confidential Information strictly confidential;
- (b) use Confidential Information solely for the performance of duties under this Agreement; and
- (c) not disclose Confidential Information to any third party without the Company's prior written consent, except as permitted by this Clause.

12.3 The obligations in this Clause do not apply to information that the Core Team Member can demonstrate:

- (a) was already known to the Core Team Member prior to disclosure by the Company (and not subject to a confidentiality obligation);
- (b) is or becomes publicly available through no fault of the Core Team Member;
- (c) is independently developed by the Core Team Member without use of Confidential Information;
- (d) is rightfully received from a third party without confidentiality restriction; or
- (e) is required to be disclosed by law, regulation, or court order (in which case the Core Team Member shall give the Company prompt notice where legally permitted and cooperate in seeking protective measures).

12.4 Upon termination or earlier request, the Core Team Member shall promptly return or securely destroy all Company materials containing Confidential Information and confirm destruction of personal copies in writing.

12.5 The obligations under this Clause shall survive termination for a period of five (5) years, or for so long as the information remains confidential and non-public (in the case of trade secrets), whichever is longer.

13. COMPANY PROPERTY AND DATA

13.1 All Company property, equipment, access credentials, documents, data, and materials provided to or created by the Core Team Member remain the property of the Company.

13.2 Upon termination or earlier request, the Core Team Member shall immediately return all such property and permanently delete or destroy any residual copies, and shall confirm compliance in writing.

14. RESTRICTIVE COVENANTS

14.1 **Non-Solicitation of Employees and Contractors.** For a period of two (2) years after the termination of engagement for any reason, the Core Team Member shall not, directly or indirectly, solicit, recruit, hire, or encourage any employee or contractor of the Company to leave the Company or to work for any Competing Business.

14.2 **Non-Solicitation of Customers.** For a period of two (2) years after the termination of engagement for any reason, the Core Team Member shall not, directly or indirectly, solicit any Customer with whom the Core Team Member had material dealings during the engagement for the purpose of supplying competing products or services.

14.3 **Non-Compete.** For a period of twelve (12) months after the termination of engagement for any reason, the Core Team Member shall not, within Nigeria, engage in any Competing Business in a capacity that would inevitably require

the use or disclosure of Confidential Information or that would unfairly exploit relationships developed for the Company. “**Competing Business**” means any business that directly competes with the Company’s then-current direct-to-door food commodity supply business in the geographic markets in which the Company actively operates.

14.4 The Parties acknowledge that the restrictions in this Clause are reasonable and necessary to protect the Company’s legitimate business interests. If any court or competent authority finds any restriction unenforceable, the Parties intend that the restriction be modified to the minimum extent necessary to make it enforceable.

14.5 Nothing in this Clause prevents the Core Team Member from holding passive investments of less than five per cent (5%) in publicly traded companies or from engaging in activities that do not compete with the Company.

15. GOOD LEAVER / BAD LEAVER

15.1 **Good Leaver.** The Core Team Member shall be a Good Leaver if the engagement terminates by reason of:

- (a) voluntary resignation with the required notice;
- (b) termination by the Company without Cause;
- (c) death;
- (d) permanent incapacity or disability preventing performance of duties; or
- (e) any other reason that does not constitute Cause.

Consequences for Good Leaver: The Core Team Member retains all vested Equity. All unvested Equity is forfeited. The Company may (but is not obliged to) repurchase the vested Equity at fair market value determined in good faith, payable within ninety (90) days (or in instalments over up to twelve (12) months with interest at the Nigerian prime rate plus two per cent (2%)).

15.2 **Bad Leaver / Cause.** The Core Team Member shall be a Bad Leaver if the engagement is terminated for Cause, which includes:

- (a) material breach of this Agreement that remains uncured for ten (10) Business Days after written notice specifying the breach (except where the breach is not reasonably capable of cure);
- (b) gross misconduct, gross negligence, fraud, embezzlement, or misappropriation of Company assets;
- (c) conviction of a criminal offence involving moral turpitude or dishonesty;
- (d) material breach of confidentiality, IP assignment, or restrictive covenant obligations;
- (e) wilful and persistent failure to meet the minimum time commitment or core marketing/operations expectations for sixty (60) consecutive days after written warning;
- (f) unauthorised absence for five (5) or more consecutive Business Days;
- (g) acts causing material harm to the Company’s reputation or key relationships; or
- (h) any other conduct that constitutes just cause for dismissal under applicable Nigerian law.

Consequences for Bad Leaver: All unvested Equity is immediately forfeited. The Core Team Member shall, if required by the Company, sell all vested Equity back to the Company at the lower of (i) the original issue/subscription price (or nominal value if lower) and (ii) fair market value, within thirty (30) days. The Core Team Member has no right to negotiate the price.

15.3 Determination of leaver status shall be made in good faith by the Company’s designated decision-makers (currently unanimous Co-Founder decision) within thirty (30) days of termination, based on documented facts. The Core Team Member shall be given a reasonable opportunity to present evidence and respond within ten (10) Business Days.

15.4 The Company shall notify the Core Team Member in writing of the classification and the equity consequences.

15.5 Regardless of leaver status, the Core Team Member remains bound by the surviving obligations in Clauses 11, 12, 14, and related provisions.

16. TERMINATION

16.1 Either Party may terminate the engagement at any time:

- (a) by giving not less than fourteen (14) calendar days’ prior written notice; or
- (b) immediately for Cause (no notice required).

16.2 Upon termination the Core Team Member shall:

- (a) complete an orderly handover of responsibilities, knowledge, and access credentials;

- (b) return all Company property and materials;
- (c) permanently delete residual Company data; and
- (d) cooperate reasonably in the transition.

Failure to cooperate may be taken into account in determining leaver status.

16.3 Vesting ceases on the effective date of termination. Accrued but unpaid approved compensation (if any) shall be paid within thirty (30) days, subject to applicable deductions. Equity treatment is governed by Clause 15.

17. CONSEQUENCES OF TERMINATION

17.1 Termination does not affect accrued rights or any provision expressed to survive termination.

17.2 The Core Team Member remains bound by Clauses 11 (IP), 12 (Confidentiality), 14 (Restrictive Covenants), 18 (Dispute Resolution), and any other surviving provisions.

18. DISPUTE RESOLUTION

18.1 The Parties shall first attempt to resolve any dispute arising out of or in connection with this Agreement through good-faith negotiation within fourteen (14) days of written notice of the dispute.

18.2 If unresolved, either Party may refer the dispute to mediation before a mutually agreed neutral mediator in Kaduna, Nigeria. Mediation shall be completed within sixty (60) days of referral.

18.3 If mediation fails, the dispute shall be referred to and finally resolved by arbitration under the Arbitration and Mediation Act 2023 (or any successor legislation) and the rules of the Lagos Court of Arbitration (or such other reputable Nigerian arbitral institution as the Parties may agree).

18.4 The seat (legal place) of arbitration shall be Kaduna, Nigeria. Hearings may be held in Kaduna or such other venue as the arbitrator may determine for convenience. The arbitration shall be conducted by a single arbitrator in the English language. The arbitrator's award shall be final and binding.

18.5 Each Party shall bear its own costs of counsel. The costs of the arbitration (including arbitrator fees) shall be borne by the unsuccessful Party unless the arbitrator determines otherwise.

18.6 Nothing in this Clause prevents either Party from seeking interim or injunctive relief from a court of competent jurisdiction in respect of confidentiality, IP, restrictive covenants, fraud, or other urgent matters.

18.7 Mediation and arbitration proceedings shall be confidential.

19. REPRESENTATIONS AND WARRANTIES

19.1 The Company represents that it has the corporate power and authority to enter into this Agreement and to grant the Equity subject to the required approvals, and that the Equity will be validly issued when the necessary formalities are completed.

19.2 The Core Team Member represents that:

- (a) the Core Team Member has full legal capacity and authority to enter into this Agreement;
- (b) the Core Team Member is not subject to any non-compete, non-solicitation, or confidentiality obligation that would prevent performance of this Agreement;

- (d) the Core Team Member has the right to grant the licences contemplated by this Agreement; and
- (e) the Core Team Member will comply with applicable law in the performance of duties.

19.3 Breach of a representation may constitute Cause and may give rise to remedies under the dispute-resolution provisions.

20. INDEMNIFICATION

20.1 The Core Team Member shall indemnify and hold harmless the Company from and against reasonably foreseeable losses, damages, costs, and expenses (including reasonable legal fees) arising directly from the Core Team Member's material breach of Clauses 11, 12, or 14, or from fraud, wilful misconduct, or gross negligence, subject to applicable law and principles of mitigation.

20.2 This indemnity is limited to losses caused by the Core Team Member's own acts or omissions and does not extend to consequential or speculative losses except as permitted by law.

21. AMENDMENTS

21.1 No amendment to this Agreement is valid unless made in writing and signed by both Parties (or their authorised representatives).

21.2 Material changes to equity, vesting, or the Equity Grant require the Company's internal corporate approvals in addition to the Core Team Member's consent.

21.3 Changes to time commitment or compensation require Company approval and the Core Team Member's consent.
